WHO WE ARE

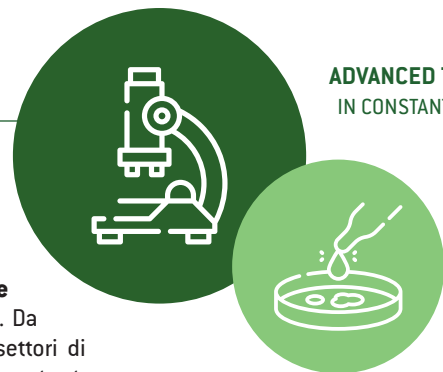

I Laboratori Chimici Stante sono **passione per il laboratorio, l'analisi e la ricerca.**

Laboratori Chimici Stante svolgono attività di **analisi chimiche, microbiologiche** ed **ecotossicologiche** nel settore ambientale su tutto il territorio nazionale. Da oltre vent'anni ci occupiamo di analisi per diversi settori di attività, grazie alla professionalità ed esperienza del nostro team ed alla dotazione strumentale all'avanguardia presente nei nostri laboratori.

La **pluriennale esperienza** professionale e le competenze acquisite dal nostro giovane e specializzato team ci hanno permesso di consolidare la nostra realtà su tutto il territorio nazionale, posizionandoci **tra i primi 100 laboratori di analisi in Italia.**

La forza dei nostri servizi si misura nell'**attenzione e completezza dell'assistenza** fornita al cliente. Ogni Cliente è seguito in tutte le fasi del percorso di analisi.

I Laboratori Chimici Stante sono un laboratorio italiano che offre **esperienza, competenza e attenzione al Cliente.**

ADVANCED TECHNOLOGY
IN CONSTANT DEVELOPMENT

CERTAIN TIMES
IS OUR PLUS

Laboratori Chimici Stante are passionate about the laboratory, analysis and research.

Laboratori Chimici Stante carry out chemical, microbiological and ecotoxicological analysis in the environmental sector throughout the national territory. For over twenty years we have been dealing with analysis in various sectors of activity, thanks to the professionalism and experience of our team and the state-of-the-art equipment in our laboratories.

The many years of professional experience and the skills acquired by our young and specialized team have allowed us to consolidate our reality throughout the national territory, positioning us among the top 100 laboratories of analysis in Italy.

The strength of our services is measured in the attention and completeness of the assistance provided to the customer. Each customer is followed in all phases of the analysis process.

Laboratori Chimici Stante are an Italian laboratory that offers experience, competence and attention to the customer.
